

Multi-Unit Housing

Green Island Senior Housing - Green Island, New York

We designed the plans to convert a school into a 13-unit senior apartment complex.

Troy YWCA - Troy, New York

We were responsible for the complete exterior and interior renovation of 110 residence units. The units serve as transitional housing for women in need. The project included roof and window replacements.

5th Avenue Brownstones - Troy, New York

Historically-certified restoration of five brownstone rowhouses into ten apartment units.

The Oxford Veterans Home - Oxford, New York

Design and construction for additions and renovations to cafeteria/food service area and design of a new freestanding administrative building.

Lancaster Street Townhouses - Albany, New York

Design of five new two-family townhouses within Albany's Central Square historic district.

The Waldorf House - Albany, New York

Adaptive reuse and conversion from a historic office office/retail building to nearly 100 single room occupancy housing operated by the Albany Catholic diocese. Required designing on a very tight site, new elevator and stair systems and handicapped accessibility throughout. Included a commercial kitchen.

School Street Apartments - Cohoes, New York

Rehabilitation of five 19th-century mill workers' row houses into owner-occupied residences.

2 and 6 Franklin Square - Saratoga Springs, New York

Adaptive reuse and restoration of an historic mansion and hotel into apartments and retail space with access from the exterior or an interior mini-mall.

Corliss Park Apartments - The Troy Housing Authority, New York

Renovation of a 158-unit apartment complex including replacement of siding, roofing, doors, entrances, all underground heating and domestic hot water lines and improvements to sidewalks, paving, storm drainage and landscaping.

Grand Street Apartments - The Troy Housing Authority, New York

Repairs to 10 historic townhouses, including exterior masonry walls, front entry stair replacement and complete roofing replacement

Edward H. Kane Apartments - The Troy Housing Authority, New York

Site work improvements and custom iron fencing installation for senior citizens apartment building.

Martin Luther King Apartments - The Troy Housing Authority, New York

Masonry repair and roof replacement for a 124-unit apartment building.

Griswold Heights Apartments - The Troy Housing Authority, New York

Site work and exterior improvements to a 320-unit apartment complex and a new maintenance building.
