

M.O.S.S. on the Hudson

Troy, New York

architecture+ worked with The Community Builders to design the revitalization of Taylor Apartments, Buildings 1 and 2 into the newly proposed M.O.S.S. on the Hudson. The Taylor Apartments are owned and operated by the Troy Housing Authority. The first floor of the new facility includes community spaces and a computer lounge as well as office space for the facility management staff and a local not-for-profit social service provider. Upper floors contain a mix of one and two-bedroom apartments. This project is currently awaiting final approvals.
